

Introduced by Senator BerryhillFebruary 18, 2011

An act to amend Section 22032 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

SB 725, as introduced, Berryhill. Public contracts.

The Public Contract Code provides procedures that local agencies are required to follow when they build public works projects. When local agencies voluntarily use the Uniform Public Construction Cost Accounting Act, they may use their own employees for projects of \$30,000 or less, while projects of \$125,000 or less require informal procedures and those in excess of \$125,000 require formal bids.

This bill would make a technical, nonsubstantive change to this provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 22032 of the Public Contract Code is

- 2 thousand dollars (\$125,000) shall, except as otherwise provided
